

Healthcare Recruitment

Coyle Care provide nurses, healthcare assistants and other care-focused professionals into a wide range of care settings across the UK.

We work together with care homes, nursing homes, residential homes and more to meet any healthcare recruitment requirement. With 12 offices across the UK, we can offer full nationwide coverage as well as the proven ability to cover last minute shifts and long-term placements.

Coyle Care has access to a huge database of compliant, quality staff, available for work at short notice.

Our compliance processes ensure that our staff are fully cleared for work. We are also able to meet any framework standard, as required by our clients.

Get in touch with Coyle Care today to find out more about how we can support you with your Healthcare Recruitment needs.
