

Health & Social Care Recruitment

Coyle Health & Social Care Division is dedicated to providing staff of the highest calibre to a wide and varied client base within the Health & Social Care Industry nationwide.

Our managers and consultants have many years of experience in recruiting and providing staff for domiciliary care, residential and day care, social work and support work.

Our proven standards of excellence derive from managers and consultants who have inside knowledge and years of experience working within the Health & Social Care Sector.

Our unique services are strengthened by our recent investment into state of the art technology that enables potential candidates to securely register their application online or speak with an experienced Consultant. We provide complete confidentiality 24 hours a day, 7 days a week in accordance with our open-door service.
