

Step by step guide on how to receive your COVID-19 Pass Code

Step One

Go to your mobile app store and search for the 'NHS App'. The NHS COVID-19 App will not give you your pass code, so make sure you download the correct app. Once downloaded, click 'Open' to launch app.

Step Two

Click 'Continue with NHS Login'.

Continue with NHS login

Step Three

Enter your email address and click 'Continue'.

Enter your email address

We will check if you have an NHS login. If not, you can set one up.

Email address

Continue

This step will also determine whether you have an existing account. If you do not have an account, please click the link below to learn how to create one. If an account has been found with your email address, click continue.
